

_____Chapter, NSDAR

Report of the Financial Review Committee

Date _____

The members of the Financial Review Committee have examined the records of the Treasurer of the _____Chapter namely the account registers for checking, savings and investment accounts, bank statements and supporting documentation. We find the records to be in good order and their contents to appear reasonable.

We have also reviewed the financial statements for _____ Chapter which, summarize the records referred to above, for the year ended _____. These statements appear to fairly represent the financial position and the revenue and expenses for the organization.
