Outstanding Junior Contest

Thank you to all the chapters that honor an Outstanding Junior at the chapter level. I encourage each chapter to take these juniors a step further and fill out the application for the state Outstanding Junior Contest. You can find the applications on the members only side of the NSDAR website at the link below.

The application will take a little time and you will need the help of your Outstanding Junior. The state winner will then go on to represent the state of Arkansas in the National contest. Please note that applicants must have a minimum of 10 points accumulated to be considered as Outstanding Junior. The deadline to have the completed application postmarked is October 31, 2020. Please mail the application to the address below.

Helen Pouch Classroom Grant

Each state, including the District of Columbia, will have two \$500-dollar classroom grants available for 2021. To qualify, applicants must be a classroom teacher for grades K-12, be endorsed by a local DAR chapter, and complete the grant award application. I encourage chapters to be on the lookout for teachers who could benefit from this grant. Applications will be available online. If you need further assistance, you can also reach out to myself at samanthaj9803@gmail.com.

Continental Congress Junior Page Grant

If your chapter has Junior members who would like to page at Continental Congress, please encourage them to apply for the 2021 grant. To be eligible, a junior member must be under the age of forty, paged at State conference for two years, and commits to attend Continental Congress. You can find the application on the members page of the ASDAR website at the link below.
