Dear Daughters,

As promotion of education is one of Daughters of the American Revolution's three goals I am honored to serve as your DAR State Librarian. The DAR Library located in our Daughters of the American Revolution headquarters in Washington, D.C., is known as the most complete genealogical center of historical records.

A search service provided by the National DAR library may assist in locating your family Bible via a patriot. Another service is the online library lectures that are free to the public. For further information may visit www.dar.org.library events.

The DAR Genealogical Research System (GRS System) on the national website includes free online databases with many genealogical resources from the library.

On the state level DVDs on many topics are available to rent for your chapter programs from the Arkansas State DAR Member's website. If you need assistance please do not hesitate to contact me.

In DAR Service,

Lucy J. Cyphers

Arkansas State Librarian
