

NSDAR Members Course

The Members Course goals are to provide a structured learning opportunity for DAR members to learn about DAR and how they can become more active members of DAR at all levels, Chapter, State and National. The course has been structured to be self-directed, so that members can fit the *Members Course* into their busy schedule of work, family and play. Participants can do the NSDAR Core Curriculum at any time of the day or night. You will have to have access to a computer and Wi-Fi. You are also required to have an American Spirit magazine subscription. You will be viewing webinars and YouTube video for some of the Modules.
