This officer's most important duty is to support the State Regent as directed, this officer has several, behind-the-scenes tasks related to workings of the State Society.

This officer shall, in the absence or inability of the State Regent, perform the duties of that office. She shall be custodian of all flags and banners of the State Society.

As we come together to work on projects we are also forming lasting friendships with our DAR sisters. These friendships also bind us together and keep our society strong.
