DAR Record Storage

Facilities are available for safe, secure storage of records for chapters, disbanded chapters, and the ASDAR. Information on what to store, how to prepare records for storage, fees, schedules for storage, etc. located in the Record Storage Guidelines on the ASDAR members only website.

ASDAR Records are collected for storage twice a year at the (1) Board of Management Meeting in August, and (2) Arkansas State DAR Conference in March.

If you have records to be placed in the storage facility and need a box or if additional records need to be added to a box already in storage, contact this chair.

More information about storing chapter records can be found under [Important Forms & Links](#) on the state members only website (currently under **State Historian forms**) and on the NDSAR Members Only site.
